Hi everyone!

Hope the Christmas and New Year break finds you revitalised and raring to go. Get a head start on the conference season by booking your place at the Bolton Astrology Spring Conference on 12th April. The speaker, Darby Costello, will be looking at the ongoing Uranus/Pluto square as well as the rulers of the signs involved, Mars and Saturn. Email Jennifer Miller at boltonastrosoc@yahoo.com for more information.

And our Norwegian friends are in for a rare treat indeed. Judy Hall is coming to Oslo on 8/9 March, to talk about Karmic Astrology. See her website www.judyhall.co.uk for more details.

We're delighted to introduce a new series of books which should have something for everyone - called 'The Quotable Aries', etc. People born under that sun sign describe their natural talents in the first chapter, addressing challenges in the next, then in chapters about work, creativity, sports and relationships they describe how the core traits of the sign come through in specific arenas. Each book is over 200 pages and is packed full of examples from that sign. All the books are available now except for Gemini and Cancer which are coming along in February. Good fun for all at £10.99 plus postage.

Please visit our website for a complete list of our titles.

We accept Visa, MC or Debit cards. Postage will be added to your order at checkout. Please make sterling cheques payable to The Wessex Astrologer Ltd., 4a Woodside Road, Bournemouth BH5 2AZ England.
