Sunny greetings everyone!

After more than a year out from publishing I am more than happy to be back in the saddle again. It has taken a bit of dusting off, but fortunately the chemo didn't destroy the typesetting part of my brain; this has been put to very good use during my recovery, and I am delighted to present our two new titles: *Judy Hall's Book of Psychic Development* and *The Nakshatras: The Stars Beyond the Zodiac* by Komilla Sutton. Both these ladies are dear friends who have helped to shepherd me through the stormy waters of the last 18 months. It is with humility and delight that I can now present their work to you. Please go to our website to pre-order - **both books will be available by the end of May.**

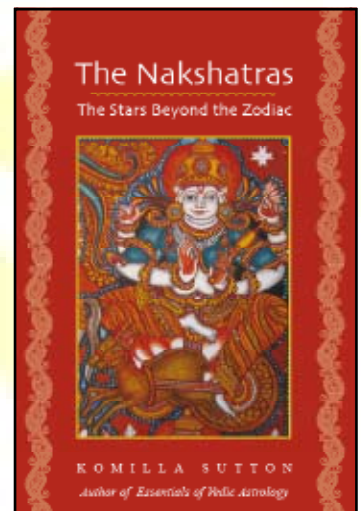

Judy Hall's Book of Psychic Development

Judy Hall has been practising and teaching psychic development for over 45 years, and her new book, *Judy Hall's Book of Psychic Development* disseminates what she has learnt during that time. You will learn how to safely develop your intuition and psychic awareness through exercises that include accessing the Akashic Records, meeting your spiritual guide, astral travelling and interpreting the signals and prompts given in everyday life. There is also a section on the scientific proof that psychic abilities are now being taken seriously and a chapter on what to do if things go wrong. Sound and solid advice from a true professional. £17.99 + postage.

The Nakshatras: The Stars Beyond the Zodiac Komilla Sutton

Komilla Sutton is a co-founder of the British Association for Vedic Astrology. She is renowned as both a practitioner and teacher of the science with students and clients all over the world. Readers of her previous books (*The Essentials of Vedic Astrology*, *The Lunar Nodes* and *Personal Panchanga*) have long been asking for a book on the nakshatras, the lunar mansions - so here it is. Written for students with a strong grasp of vedic astrology, it covers nama nakshatras, the gunas, sexual compatibility, and a thorough study of the myths behind each nakshatra. There is also an in-depth case history of Steve Jobs. £20.99 + postage.
