Just look at these goodies!

Here's a great chance to scoop up some nearly-perfect books at a great price. Periodically our printers mess up and we end up with books which may be a bit wonky or badly cut. There are also a few that have been in stock for a while and become a bit faded - here's a selection. Please note that appearance on this list or our website doesn't guarantee there is stock left - when they're gone, they're gone. Until the printers mess up again of course! Prices exclude postage, which will be added when you place your order on the website.
