Hi Everyone!

We are catching up on the backlog of manuscripts as fast as we can so here are two books that are due in the next month. You will be able to pre-order through our website or via your usual bookseller. Decumbiture is a fascinating subject that can throw a lot of light on medical problems - this latest addition to the Wessex Astrologer list makes a perfect companion to Wanda's previous book 'Introduction to Medical Astrology', which has just become available in E-book form too.

**AVAILABLE OCTOBER**

## Introduction to Decumbiture Wanda Sellar

A decumbiture chart, taken from the time a patient 'takes to their bed' (Latin *decumbere*, to lie down), is a traditional technique used in medical astrology to help discover the causes of an illness and to ascertain if the treatment is working and whether recovery is likely. Very few of us have the luxury of taking to our beds these days but the time for a doctor's appointment or the onset of a fever for example are equally valid and the resulting chart can be very informative. Wanda Sellar teaches the techniques in a clear and easily understandable format then demonstrates their use in a wide variety of case histories. £13.50 plus postage.

## Introduction to Medical Astrology Wanda Sellar

The ideal companion to *Introduction to Decumbiture*

Paperback £15.99 plus postage

Now available as an E-Book £10.00

As many of you know we also have a non-astrological imprint, Flying Horse Books, where we publish other titles in the Mind, Body, Spirit area. We are delighted to welcome Ellie Duvall Thompson to the fold as our latest new author. She has been itching to write for many years and 'Diary of a Reluctant Psychic' is a true story based on the life a woman who has had to learn how to cope with psychic ability from a very young age. Tense, heartbreaking and sometimes raw, it shows how strong the human spirit has to be to cope with communications from another dimension. £12.99 plus postage.

**ALSO AVAILABLE OCTOBER**

## Diary of a Reluctant Psychic Ellie Duvall Thompson

Dreanna's mouth opened before she could think of the consequences. "Lillian loves you. She wants to tell you she has your baby and will look after her always. She says you must be true to yourself and not be what they want you to be. She also says, 'Take care my sweet princess.'"

Marisa's mouth opened but nothing came out.

Dreanna's concentration returned. "Shit. I'm - I'm sorry, please take no notice. Ignore me, really I'm so sorry." She shook her head and looked down at the ground.

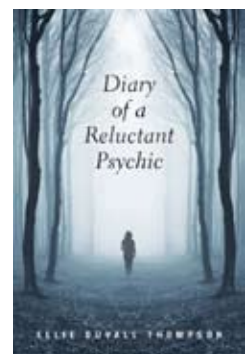

"But," Marisa looked straight at her. "My Nan's name was Lillian. She died in February and no one knows about my baby as I had a termination six weeks ago. Please explain to me how you know all this."

Dreanna was confused. She had fought all her life to keep this quiet. How would she get out of this particular predicament?

Lillian was back in her mind. "Tell the truth Dreanna, be honest."

Dreanna looked up from the ground. "Yes I see dead people. I see them, I hear them and I feel them, I also feel people's pain and see it inside my head. I'm not proud of it, I don't like it but I can't make it go away."

Her secret life was now out in the open.
